Acquiition.biz

*Connecting business owners,
buyers and investors.*

Simple. Confidential. Effective.

Visit **www.acquization.biz**
or call **1 866 499-0334**

The website for selling and buying companies

Since 2004, *Acquization.biz* has been matching those who wish to sell their company with those who wish to buy a company. The goal of this completely confidential and very efficient website is to generate qualified business contacts in order to help the Quebec business community to buy or sell companies, with no commission. The site also enables small and medium enterprises to promote their projects among potential investors and partners.

Acquization.biz boasts more than **95,000 members** who are ready to receive offers related to companies for sale. If you wish to sell your company, this is the best place to advertise.

Acqui**ition.biz**
*Connecting business owners,
buyers and investors.*

A targeted clientele who is looking for business opportunities

Acquization.biz gets **26,000 unique visitors per month**,
with **12.5 page views per visit**.

95 000 membres prêts à investir ou à vendre une entreprise, dont :

- **53%** are looking to purchase a company;
- **29%** want to explore the market;
- **9%** are looking to sell a company.

260,000 page views per month, covering virtually every sector: farming, wholesale trade, construction, accommodations and food services, commercial real estate, tourism and many others.

Some tips for getting the most out of the site:

- Put your company up for sale.
- Advertise your interest in buying a business.
- Find potential partners or investors by posting your business project.
- Introduce your services through experts in the field or web advertisement.
